Inside The Numbers

Ramos completely dominated, connecting 45% of his total punches, and 54% of his total punches. 53% of Ramos' power connects were body punches. Ramos held a 98-19 edge in body punches landed. Ramos scored the fight's lone knockdown in the waning seconds of the seventh round. Having seen Rosario absorb enough of Ramos' punches, the referee stopped the fight at 2:18 of the eighth round.
