Inside The Numbers

Tellez Giron hurt White with a body shot in the second round and continued to tenderize White's body to the tune of 80 body punches landed over ten rounds. Fighting defensively for the majority of the fight, White only landed 58 power punches, while Tellez Giron connected on 134. Despite the lop-sided stats and Tellez Giron scoring the fight's lone knockdown in the fifth round, two judges somehow only had Tellez-Giron winning by one and two points, 95-94 and 95-93, while the third judge scored it for Tellez Giron 97-92.
