Inside The Numbers

Isley and Hicks were separated by two or fewer landed punches in seven of the 10 rounds, and the totals were nearly as tight: Isley landed five more jabs, Hicks one more power punch. The difference was volume. Isley threw 132 more punches, though Hicks was far more accurate, connecting at 40 percent to Isley's 27. The judges scored it 96-93 twice and 97-92, all for Isley.
