	14.9%	7%	20.6%

Inside The Numbers

This was a tough watch. It seemed as if each guy was scared to hurt the other. Toward landed 99 of 463, 21% total punches while Corrie only managed 51 of 342, 15%. Somehow one judge gave the fight to Corrie 96-94 only to be overruled by the other two judges who had the fight 98-92 for Toward.
